

Senior Analyst/ Manager - Financial Research

The D. E. Shaw Group is a global investment and technology development firm with more than \$40 billion in investment capital as of October 1st, 2016, and offices in North America, Europe, and Asia. Since our founding in 1988, our firm has earned an international reputation for successful investing based on innovation, careful risk management, and the quality and depth of our staff. We have a significant presence in the world's capital markets, investing in a wide range of companies and financial instruments in both developed and developing economies.

We are looking for resourceful candidates to join our Financial Research group based out of Hyderabad. This group works closely with the front office to provide high quality and in-depth support to the investment research team and the decision based processes of the firm's global proprietary trading strategies.

Primary responsibilities include:

- supporting front-office traders/analysts on critical and time-sensitive recurring tasks that are data intensive in nature.
- building and managing large financial data sets and performing exception analysis.
- collaborating with the in-house technology team for automating processes to achieve optimal efficiency.
- supporting the Fundamental Research team in Hyderabad by conducting data research, summarizing industry/company conference calls, and preparing quarterly earnings reports.

The ideal candidate should have a Master's degree in Business or Finance with 3-6 years of experience in the above mentioned responsibilities or

financial operations. He/she should be self-motivated, possess strong analytical and leadership qualities as well as be able to work independently with limited direction and guidance. Excellent verbal and written communication skills are also required.

The Firm offers excellent benefits, a casual, collegial working environment, and an attractive compensation package. For further information about our recruitment process, including how applicant data will be processed, please visit www.deshawindia.com/Recruiting.html.
