- Consulting & advisory experience with top-tier consulting organizations strongly preferred.
- Full time MBA from top-tier business schools.
- Driving digital strategy for FSI clients using key emerging technologies like Artificial Intelligence, Advanced Analytics, Omni/Conversational Channels, Cloud, Blockchain, Social & Mobility.
- Domain Expertise in one or more of the following areas:
  - **Banking:** Retail banking, commercial banking, trade finance, core banking transformation.
  - **Banking Payments:** International payments, cards, real time payments, payment channels, engines, hubs and gateways.
  - **Channels and Distribution:** E-Banking, Omni-channel, Open Banking and Conversational Banking.
  - **Governance, Risk and Compliance:** AML, KYC, client onboarding, regulatory change management, regulatory reporting, anti-financial crime, risk management.
  - **Capital Markets:** Investment Banking, Private Banking, Wealth Management, Market Infra, Retirement Services
  - **Insurance:** Life, property & casualty, annuities and retirement services, PAS transformation.

### What will you do?

At Infosys Consulting, you will:

- Work on business consulting engagements as part of a cross-cultural team across regions.
- Take up a **range of roles** in the areas of process consulting, functional consulting, tech strategy, program management and change management.
- Analyze problems and come up with solutions, often creative and out-of-the-box.
- Apply business consulting frameworks and methodologies to address business problems.
- Be responsible for the delivery of business results to clients.
- Lead workshops to collaborate with client stakeholders and educate them throughout the process.
- Lead / contribute to sales pursuits, consulting offerings and internal initiatives.
- Participate in a variety of Firm building events and the consultant referral program.

## What do we require?

We are seeking success-oriented people who have a consulting mindset, strong analytical skills, a competitive drive, and an entrepreneurial spirit that will help propel the continued growth of the firm. We look for candidates that have prior relevant work experience, excel in ambiguous situations and possess a passion for helping companies become more competitive. Business acumen combined with a comfort with technology is a must as well as strong verbal and written communication skills. Candidates must be able to quickly frame complex business problems and prioritize root causes with confidence.

We pride ourselves on hiring consultants that immediately fit into the fun yet professional atmosphere of Infosys Consulting. We value intellectual curiosity, initiative, and entrepreneurial drive!

## Where are we hiring?

**Primary locations:** Bangalore, Chennai, Gurgaon, Hyderabad, Mumbai, Noida, Pune.

**Other locations:** Bhubaneshwar, Chandigarh, Jaipur, Kolkata, Mysore, Mangalore, Nagpur, Thiruvananthapuram.
