# MDP on Learning Management System (LMS)

## Program Overview

*The UGC Online Education Regulations and NAAC Accreditation Value Framework have made it mandatory for Higher Education Institutions (HEIs) to familiarize teachers with a Learning Management System (LMS) for meaningfully integrating 'e-Learning Material' (eLM), engaging students in active learning and keeping track of learner's engagement, assessment, and results.*

*The MDP on Moodle focuses on familiarizing participants with the Learning Management System Moodle (Modular Object-Oriented Dynamic Learning Environment) and its basic modules. This 1-day facilitator-led program provides hands-on activities to enable participants use Moodle for developing online courses.*
